

1 referred to that was done in 1950, when almost by 2.5 to 1,
2 as I said before, the people in the State who voted on
3 the question of a Constitutional Convention called for it,
4 and the General Assembly decided in its wisdom that it would
5 not call it, because not a majority of those who voted
6 for the Constitutional Convention constituted a majority
7 of those voting in the General Election itself.

8 I submit to you that if we handled our bond
9 issues that way, that if we handled any of our other issues
10 in this fashion we would find government would be paralyzed
11 and stultified.

12 I respectfully request that this amendment be
13 rejected.

14 DELEGATE JAMES: Does any other delegate wish
15 to be heard on this subject?

16 Does anybody move the previous question?

17 (Whereupon, the previous question was moved.)

18 DELEGATE JAMES: Delegate Winslow moves the
19 previous question.

20 All in favor, say Aye; opposed, No.

21 The Ayes have it.
